

Department of Health 2018 Calendar of Events

This calendar has been compiled by the Communication Branch of the Australian Government Department of Health and is available on the internet on the [Department of Health website](#)

Please note that all event requests should be related to major National health events and are subject to review prior to being listed on the calendar.

No responsibility is accepted for the correctness of the information or the contact details supplied by contributing organisations.

A listing in the calendar does not imply endorsement by the Australian Government Department of Health.

To have an event considered for inclusion, or to update an entry, please complete the [calendar of events form](#).
